“ Our hearts break knowing how hard losing Patsy is for each of you. She was such a great part of the family. Know that you are always in our prayers and that I truly believe that Patsy is no longer sick and hurting. She is whole again and rejoicing around God's throne with Momal and Popal. I'm sure that she is already laughing with my momma and all her brothers and Louise. Probably looking for a Bingo game knowing all of them! That's what we all have to strive towards. Getting it right with God to see them again.
